

Eaton AZ-4-C50 Miniature Circuit Breaker — 4P, Type C, 50 A, up to 25 kA

Brand: Eaton Part No: AZ-4-C50 HS: 8536.20
Miniature circuit breakers (MCB)

Description

Eaton AZ-4-C50 miniature circuit breaker (MCB) from the xEffect AZ range. 4-pole, rated current $I_n = 50\text{ A}$, Type C tripping characteristic. Rated ultimate short-circuit breaking capacity I_{cu} up to 25 kA to IEC/EN 60947-2; rated operational voltage U_e 230/400 V AC. DIN-rail (35 mm) modular device for overload and short-circuit protection of cables and equipment. Conforms to IEC/EN 60947-2. Eaton type AZ-4-C50, EAN 4015082117924, Eaton/SAP material 1200293300, catalogue code 82262110.

Specifications

Manufacturer	Eaton
Product family	xEffect AZ
Type designation	AZ-4-C50
Manufacturer part number (MPN)	AZ-4-C50
EAN / GTIN	4015082117924
Eaton / SAP material no.	1200293300
Poles	4P
Tripping characteristic	Type C
Rated current I_n	50 A
Rated ultimate breaking capacity I_{cu}	up to 25 kA
Rated operational voltage U_e	230/400 V AC
Mounting	DIN rail (35 mm)
Standard	IEC/EN 60947-2
HS code	8536.20
Sales unit	pcs

Standards & Approvals

Standards: IEC/EN 60947-2
