

Fuel Injection Nozzle DLLA150P1781 Common Rail

Brand: Mahle Part No: DLLA150P1781 HS: 8409.99
Engine Components — Fuel Injection

Description

Common rail fuel injection nozzle DLLA150P1781. Multi-hole nozzle for marine and industrial diesel engines. Bosch type compatible replacement.

Specifications

Type	Common Rail Injection Nozzle
Model	DLLA150P1781
Holes	6
Spray Angle	150 degrees
Material	Heat-Treated Alloy Steel
Compatible	Bosch 0445120150 Injector

Standards & Approvals

Standards: ISO 9001
Approvals: REACH SVHC, IACS UR M53, REACH
