

Needle Valve SS316 1/4" NPT 6000 PSI

Brand: Generic Part No: NV-SS316-14-6000-V2 HS: 8481.80
Valves — Needle Valves

Description

Stainless steel needle valve 1/4" NPT rated to 6000 PSI. Fine flow control for instrumentation, gauge isolation, and sampling systems.

Specifications

Type	Needle Valve
Body	SS316
Size	1/4" NPT Female
Pressure	6000 PSI (414 bar)
Cv	0.18
Stem	Regulating Needle
Packing	PTFE
Weight	0.22 kg

Standards & Approvals

Standards: NACE MR0175, ISO 9001, ISO 5208
Approvals: CE
