LV Fuse Finder — NH000 / NH00 / NH0 / NH1 / NH2 / NH3, D01 / D02 Neozed, Cylindrical 10×38 / 14×51 / 22×58 by Rated Current and Class (gG, aM, aR)

cBallast Technical Sourcing · Low-voltage HRC fuse links IEC 60269 (NH blade, D0 screw-in, cylindrical) · issued 2026-09-29 · cballast.com/documents/lv-fuse-finder-nh000-nh00-nh0-nh1-nh2-nh3-d01-d02-cylindrical-10x38-14x51-22x58-by-rated-current-gg-am

Low-voltage fuse links are matched by physical size, rated current and utilisation class. NH blade fuses are graded by size (000, 00, 0, 1, 2, 3, 4) — the size fixes the fuse base and the maximum current (NH00 to 160 A, NH1 to 250 A, NH2 to 400 A, NH3 to 630 A); D01/D02 Neozed screw-in fuses (to 16 A and 63 A) and DII/DIII Diazed sizes suit distribution boards; cylindrical fuses 10×38, 14×51 and 22×58 mm fit modular.

LV Fuse Finder

Low-voltage fuse links are matched by physical size, rated current and utilisation class. NH blade fuses are graded by size (000, 00, 0, 1, 2, 3, 4) — the size fixes the fuse base and the maximum current (NH00 to 160 A, NH1 to 250 A, NH2 to 400 A, NH3 to 630 A); D01/D02 Neozed screw-in fuses (to 16 A and 63 A) and DII/DIII Diazed sizes suit distribution boards; cylindrical fuses 10×38, 14×51 and 22×58 mm fit modular fuse holders and carriers. Class gG (full-range, general purpose) protects cables and switchgear; aM (partial-range, motor) withstands starting current and needs separate overload protection; aR/gR (semiconductor) protect drives and rectifiers. The finder lists the catalogue by size and rated current with class and voltage.

A fuse of the same size and current but different class is not a substitute — an aM fuse will not clear a small overload. Check the rated voltage (400, 500, 690 V AC; DC fuses are separately rated) and, for NH fuses, the indicator type (top or combined) if a monitoring device is fitted. Fuse links from different manufacturers of the same size, current and class are interchangeable in the same base.

Coverage: 966 of 966 catalogue rows with a readable size are listed (1,718 rows in these categories in total; the remainder can be found through the site search by part number).
