

NEW SHOWER TECHNOLOGY

GROHE AQUABOOSTER

With **GROHE AquaBooster**, you can now offer a 5-star shower sensation that fulfills the high user expectations and water-saving regulations.

By combining the resource-saving power of GROHE EcoJoy with our new oscillating spray technology GROHE AquaBooster, you can save more than 4 liters per minute* while amplifying every drop for a richer, more vigorous shower.

Together, they don't just save water – they augment it, honoring both personal comfort and the planet's resources.

*GROHE Euphoria 120 hand shower with flow restricting technology EcoJoy (5.2l/min at 3 bar) compared to a hand shower with 9.5l/min at 3 bar.

GROHE AQUABOOSTER

A POWERFUL BOOST
TO WATER EFFICIENCY

PART OF **LIXIL**

KEY BENEFITS

FEEL THE POWER, **LOWER THE COSTS!**

ENHANCED SPRAY PERFORMANCE

Our new AquaBooster technology intensifies the water flow, delivering a powerful and invigorating spray.

INNOVATIVE BOOSTER SPRAY TYPE

GROHE Aqua Booster features a new "Booster" spray type powered by an oscillating device for a revitalizing and immersive shower experience.

SMART RESOURCE EFFICIENCY

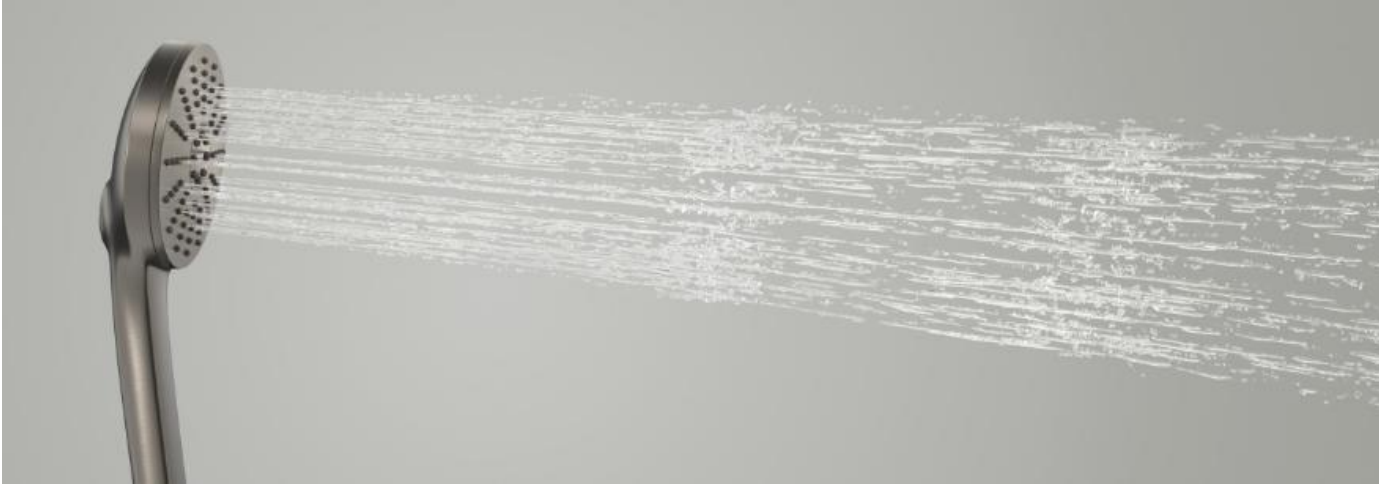

The integrated GROHE EcoJoy technology significantly reduces water and energy consumption which leads to a decrease in operational costs – without compromising the experience.

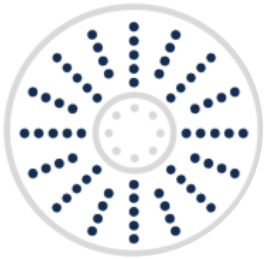

GROHE AQUABOOSTER TECHNOLOGY

FEEL THE POWER: BOOSTER SPRAY VS. RAIN SPRAY

BOOSTER

RAIN

HOW DOES IT WORK?

The oscillating GROHE AquaBooster technology enables the Booster spray type by smartly distributing water into two chambers and utilizing a select range of nozzles to concentrate pressure for a truly invigorating performance.

PRODUCT FEATURES

EUPHORIA 120 HAND SHOWER

SMARTSWITCH DIVERTER

Switch effortlessly between different spray patterns with the dial diverter, conveniently positioned on the rear of the hand shower.

SPEEDCLEAN

Cleaning is easier than ever thanks to silicone nozzles which can be brushed free of limescale with just a fingertip.

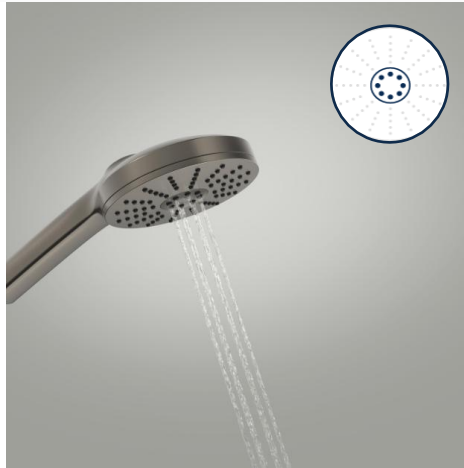

3 SPRAY TYPES

RAIN SPRAY
This soft and delicate spray evokes the feel of warm summer rain on your skin, ideal for washing away the stress of the day.

BOOSTER SPRAY
Boost your shower experience with a smart oscillating and invigorating spray pattern that intensifies the flow at a reduced flow rate.

JET SPRAY
Enjoy a dynamic, energising massage – or power-clean the bath or shower – with this targeted spray pattern.
