DECLARATION OF COMPLIANCE

For plastic materials and articles intended to come into contact with food.

We hereby declare that the hose “**SCIROPPO**” / “**KLAR ALIFLEX PVC ST**” is manufactured in compliance with Regulation (EU) No. 10/2011 and Regulation (EC) No. 1935/2004, as well as with the German Food and Feed Code (LFGB).

We further declare that the hose is manufactured in accordance with Good Manufacturing Practice (GMP), pursuant to Regulation (EC) No. 2023/2006.

When used under the specified conditions, both the overall migration and the specific migration do not exceed the applicable legal limits. Migration testing has been carried out in accordance with Articles 17 and 18 of Regulation (EU) No. 10/2011, in conjunction with Annex V.

All materials and raw materials used for the production of the hose comply with Regulation (EU) No. 10/2011. For reasons of confidentiality and in order to protect our raw material suppliers, the monomers and additives used are not disclosed.

The above-mentioned hose is suitable for use with all food products covered by Regulation (EU) No. 10/2011 under food categories A, B, C and E.

Test conditions: 5 minutes at 40°C

Surface-to-volume ratio: 6 dm²/kg

The content of the above given declaration is confirmed by test report
FUFDCP2023-03742-RO dated 09 February 2024 from Intertek Consumer Goods GmbH.

Traceability in accordance with Regulation (EC) No. 1935/2004 is ensured by the lot number imprinted on the hose.

Yours sincerely,

Hoses4U S.A.
