REACH Regulation (EC)1907/2006

Manufacturer:

CONLAN ApS

Amalienborgvej 15, 9400 Nørresundby, Denmark.

Herewith declare that Conlan ApS products complies with:

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, EC 1907/2006) Is the European Union's (EU) chemical substances regulatory framework. REACH requires Conlan to provide customers with sufficient information on Substances of Very High Concern (SVHC) contained In products In concentration above 0.1% weight by wheight (w/w) to allow safe use of the product.

To comply with this requirement, Conlan declares that to the best of its knowledge all products that it manufactures and suplies do not contain substances listed on the Candidate List of Substances of Very High Concern, as updated in May 2023, in a concentrntion above 0.1% weight by weight.

What's more, Conlan declares that the above mentioned products is considered an "article" thus it is "an object which during production is given a special shape, surface or design which determines its function to a greater degree than does its chemical composition". In addition, Conlan declares that "substances will not be released" from the above mentioned product "under normal or reasonably foreseeable conditions of use."
