DECLARATION OF COMPLIANCE

This for all materials made from plastic, intended to be used in contact with food.

We hereby declare that the hose **AIRFLEX/PU/ET/AS** (your item **Sugeslange Airflex PUR m/PVC-Spiral**) is produced according with Regulation (EU) 10/2011, Regulation (EC) 1935/2004 and the German Food and Feed Code (LFGB).

Further we declare that the hose is made under Good Manufacturing Practice (GMP) according to the (EU) 2023/2006 regulation.

The overall, as well as the specific migration when used as specified does not exceed the legal limits. The migration test was performed according to Art. 17 and 18 in conjunction with Annex V of Reg. (EU) 10/2011.

All materials and raw-materials used are in compliance with regulation (EU) 10/2011. As we do respect our raw-material suppliers we therefore keep the used Monomers and Additives as secret.

The mentioned hose is to be used under the following intended conditions of use:

- Contact with all of foodstuff covered by food simulant A, B, C, D1, D2, E according to Reg. (EU) 10/2011
- Test circumstances: for 5 minutes at 40°C
- Surface area to volume rate: 6dm² / kg

The content of the above given declaration is confirmed by test report FUFDCP2023-03744-RO2 dated 29 February 2024 from Intertek Consumer Goods GmbH of our hose AIRFLEX/PU/ET.

The traceability according (EC) 1935/2004 is ensured through the batch nr. imprinted on the hose.

With kindest regards,
Hoses4U S.A.
