

RoHS Declaration

Tridon EMEA B.V.

Dear Customer,

Tridon EMEA B.V. hereby declares that all its products comply with the requirements of Directive 2011/65/EU of the European Union on the restriction of the use of hazardous substances in electrical and electronic equipment (RoHS), as well as the amendments made by 2015/863 (also known as RoHS 3).

Our RoHS compliance includes the following:

- **Restrictions:** The products of Tridon EMEA B.V. do not contain any of the restricted substances in concentrations that exceed the limits specified by the RoHS directive. The substances covered by this directive are lead (Pb), cadmium (Cd), mercury (Hg), hexavalent chromium (Cr6+), polybrominated diphenyl ethers (PBDE), polybrominated biphenyls (PBB), and bis(2-ethylhexyl) phthalate (DEHP), butylbenzyl phthalate (BBP), dibutyl phthalate (DBP), and diisobutyl phthalate (DIBP).
- **Monitoring and Testing:** Our products are monitored for RoHS compliance through internal and external testing of materials and components used in our products.
- **RoHS Exemptions:** In cases where a product cannot comply with RoHS requirements, such as the use of materials that are essential for the product's functionality or safety, exemptions may apply as outlined in the RoHS directive.

This declaration applies to all products supplied by Tridon EMEA B.V., unless otherwise specified.

For further questions or information, please contact our customer service at mpcorder@tridon.eu.
