

REACH Declaration of Conformity

Saint-Quentin-Fallavier, August 28, 2025

Dear Madam, Sir,

Sferaco attaches particular importance to ensuring that the products we distribute comply with the REACH 1907/2006/EC regulation of 18 December 2006 as well as the regularly updated candidate list of substances.

Given the various information collected from manufacturers and in compliance with a drastic regulatory watch, we ensure that this compliance is maintained and can certify that the items we put on the market comply with these requirements.

According to the REACH regulation, our products meet the definition of "articles". These articles are not intended to release chemical substances into the environment under normal conditions of use.

We want the products we sell to ensure safety, energy efficiency and respect for the environment and we are committed to promoting and complying with all health and environmental regulations and regulations, guaranteeing the continuity of our supplies.

In addition, we keep the technical sheets of the products we distribute up to date on our www.sferaco.fr website and our teams remain at your disposal.

Please accept, Madam, Sir, our best regards.

Mr. Nicolas Billiard,
Quality Purchasing
Director
