## Part Number 0460616, POWERTWIST Wedge SPZ 5M High Performance V-Belts

[Standard Specifications](#) | [Technical Specs](#) | [Dimensions](#)

### Standard Specifications

**Industry Standards/Certifications** RoHS, Reach

### Technical Specs

|                                    |                                  |
|------------------------------------|----------------------------------|
| <b>Type</b>                        | Link - Twist Belts               |
| <b>Cross Section</b>               | SPZ                              |
| <b>Material</b>                    | Composite Polyester/Polyurethane |
| <b>Color</b>                       | Blue (wedge)                     |
| <b>Operating Temperature [Min]</b> | -40 °C<br>-40 °F                 |
| <b>Operating Temperature [Max]</b> | 116 °C<br>240 °F                 |

### Dimensions

|                      |                 |
|----------------------|-----------------|
| <b>Length</b>        | 5 m             |
| <b>Nominal Width</b> | 3/8 in<br>10 mm |

|                                  |                    |
|----------------------------------|--------------------|
| <b>Minimum Pulley Ø</b>          | 2.65 in<br>67 mm   |
| <b>Ride Height Above Rim Min</b> | 0.18 in<br>0.30 mm |
| <b>Ride Height Above Rim Max</b> | 4.5 in<br>7.5 mm   |
