

Declaration of Conformity in accordance with RoHs regulations

Salto Systems, SL
Arkotz 9, Pol. Lanbarren
20180 Oiartzun Gipuzkoa (Guipúzcoa)

Pursuant to the legal requirements established by the European Union with respect to restrictions on the use of certain dangerous substances in electrical or electronic appliances,

SALTO Systems S.L. hereby certifies that all its products comply with EU Directive 2015/863 (RoHs 3) and that these products contain, in all homogeneous materials:

- Pb, Hg, Cr VI, PBB, PBDE, DEHP, BBP, DBP and DIBP in concentrations **below 0.1% w/w.**
- Cd in concentrations **below 0.01% w/w.**

This information is based on supplier declarations, as indicated in section 4.4.3 of standard EN IEC 63000:2018, and complies with the criteria set out in that standard.

I communicate the above for the relevant purposes in Oiartzun on 18th September 2025.
