

Auto Reel - the automatic rewind hose reel

*Terms and conditions apply. www.hozelock.com/guarantee

Watering your garden and storing your hose is so easy with Auto Reel.

It smoothly unwinds only the amount of hose that you need.

When you are finished, the automatic rewind system effortlessly stores the hose away, with no kinks or tangles.

Use all over your garden

The multi direction wall hanger rotates 180° to follow you around the garden or sit neatly against the wall.

Always ready to go

The built in hose stop prevents the hose fully retracting so it is easily available every time.

Convenient storage

The hanger on the 2401, 2402 and 2403 has storage space for spray guns and accessories to help keep your garden tidy.

Quick to fit or remove

The wall hanger design and carrying handle means you can quickly put the Auto Reel on the wall or take it off again.

Safe and secure

Features a child lock for reassurance and a padlock* fixing point for security.

*Padlock not included.
