

Worker Base
Harness 1115

- Manual buckles
- 140 kg user weight
- One-size

012200060 One Size

DESCRIPTION

Worker Base is a harness with manual buckles and with connection points on the chest and back. The harness is tested and approved for users up to 140 kg and is manufactured in one-size. The harness is made of a robust 45 mm polyester belt that can handle 38 kN, which is characteristic of a Cresto harness.
