

Greenpipe Snipp & Snapp® Hardlock

Adaptor

Greenpipe Hardlock Adaptor is our solution for connecting our divisible pipes or with corrugated whole pipes, ensures that the cable is protected in the joint.

- Quick and easy installation without tools.
- Good working environment for installers.
- Made of 100 % high quality recycled PP-EPDM plastic.
- Up to 80 % environmental savings compared to virgin material.
- Protects the joint between Greenpipe's divisible pipes and entire pipes.
