

Worker Base+

Harness 1116

- Quick lock
- 140 kg user weight
- One-size

012200061 One Size

DESCRIPTION

Worker Base+ is a harness with clip buckles and with connection points on the chest and back. The harness is tested and approved for users up to 140 kg and is manufactured in one-size. The harness is made of a powerful 45 mm polyester belt that can handle 38 kN, which is a characteristic of a Cresto harness.
