

HOW TO USE ...

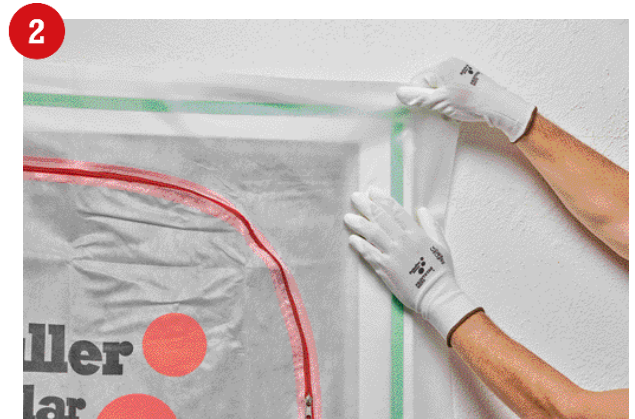

STARDUST + DUO TAPE

42120 (fleece), 42121 (PE), 45515, 45517

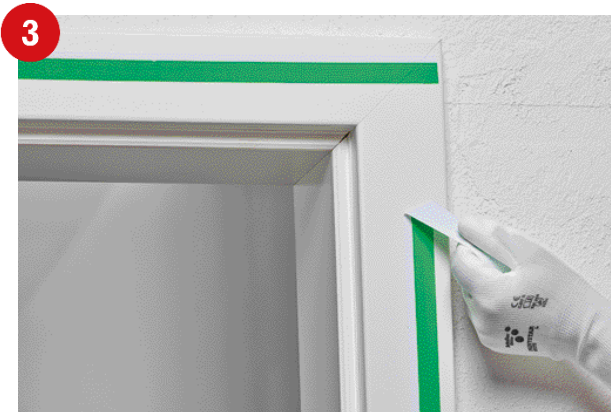

Cutting

Cut the DUO TAPE FINGERLIFT into the right length and fix it to the doorframe.

Attaching

Attach the STARDUST dust protection door to the double-sided adhesive tape and smooth it out.

Removal

After the work is finished, DUO TAPE can be removed from the doorframe without leaving any residues.

STARDUST is available in fleece and PE. Clean and simple! Eh'klar!
