

Declaration of compliance with REACH

European Union Regulation EC No. 1907/2006

Registration, Evaluation, Authorisation, and Restriction of Chemicals (REACH)

AVK International A/S hereby declares that we comply with the European Union Regulation EC No. 1907/2006 concerning Registration, Evaluation, Authorisation, and Restriction of Chemicals (REACH).

In accordance with Article 33 of the REACH regulation we are obligated to inform you if a product contains more than 0,1% w/w of a substance on the Candidate List of Substances of Very High Concern (SVHC).

Candidate List substances in AVK International A/S products:
Lead (Cas no.: 7439-92-1).

Furthermore, we confirm that all products manufactured or supplied by AVK International A/S containing components with substances on the candidate list at a concentration above 0.1% w/w have been registered in the ECHA database for Substances of Concern in Products (SCIP). This registration fulfils the requirements established by the Waste Framework Directive 2008/98/EC.

The SCIP database ensures that the necessary information regarding Substances of Very High Concern (SVHC) is available to waste operators and consumers, promoting the safe use and recycling of articles containing such substances.

We confirm that products manufactured and supplied by AVK International A/S do not contain substances on the Authorisation list (Annex XIV of REACH) or the list of substances restricted under REACH (Annex XVII).
