

# Specifications

## Eaton 286736

Eaton xEnergy Basic LV systems Low voltage switchgear. Sheet steel door transparent with rotary door handle HxW=1200x600mm

### General specifications

|                             |                          |
|-----------------------------|--------------------------|
| <b>PRODUCT NAME</b>         | Eaton xEnergy Basic door |
| <b>CATALOG NUMBER</b>       | 286736                   |
| <b>MODEL CODE</b>           | BP-DT-600/12             |
| <b>EAN</b>                  | 4015082867362            |
| <b>PRODUCT LENGTH/DEPTH</b> | 38 mm                    |
| <b>PRODUCT HEIGHT</b>       | 1200 mm                  |
| <b>PRODUCT WIDTH</b>        | 600 mm                   |
| <b>PRODUCT WEIGHT</b>       | 3.35 kg                  |
| <b>COMPLIANCES</b>          | RoHS conform             |

## Additional information

|                         |                                                                                                             |
|-------------------------|-------------------------------------------------------------------------------------------------------------|
| <b>FEATURES</b>         | Version as glazed door                                                                                      |
| <b>FUNCTIONS</b>        | Wall-mounting distribution system<br>Additional equipment                                                   |
| <b>SPECIAL FEATURES</b> | Transparent doors                                                                                           |
| <b>USED WITH</b>        | Service distribution board IVS<br>Accessory<br>Wall-mounting distribution system<br>Accessory consideration |

## Technical data - mechanical

|                             |                                       |
|-----------------------------|---------------------------------------|
| <b>COVER/DOOR COLOR</b>     | Transparent                           |
| <b>COVER/DOOR TYPE</b>      | Three-point turn-lock                 |
| <b>HOUSING MATERIAL</b>     | Sheet steel/plastic                   |
| <b>MATERIAL</b>             | Sheet steel/plastic<br>Steel          |
| <b>MOUNTING METHOD</b>      | Surface mounting                      |
| <b>SUITABLE FOR HEIGHT</b>  | 1260 mm                               |
| <b>SUITABLE FOR WIDTH</b>   | 600 mm                                |
| <b>SURFACE FINISHING</b>    | Powder coating<br>With powder coating |
| <b>UNIT TYPE</b>            | Modular system                        |
| <b>DEGREE OF PROTECTION</b> | IP30<br>NEMA Other                    |

## Delivery programme

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| <b>ACCESSORY/SPARE PART TYPE</b> | Doors                                                                |
| <b>COLOR</b>                     | Light gray (RAL 7035)<br>Gray                                        |
| <b>MODEL</b>                     | Stop door                                                            |
| <b>TYPE</b>                      | Additional equipment for wall-mounted service distribution board IVS |
