	Conforms to relevant South Korean EMC Standards.
---	--

On page 33, under **General Specifications** add:

Electromagnetic Compatibility .. Applies to use in Korea only. Class A Equipment (Industrial Broadcasting & Communication Equipment.
This product meets requirements for industrial (Class A) electromagnetic wave equipment and the seller or user should take notice of it. This equipment is intended for use in business environments and is not to be used in homes.

Change #2, 96

On page 13, following the **Auto Backlight-Off**, add:

External CJC

The Product provides an external CJC option. This option lets you replace the internal CJC with an external cold junction compensation.

To enable External CJC mode:

1. Push ☐.
2. When SHIFT shows on the screen, push ☐ TC TYPE.
3. In the displayed setting list, highlight the **External CJC** option. Use  to select the option.

To disable External CJC mode:

1. Push ☐.
2. When SHIFT shows on the screen, push ☐ TC TYPE.
3. In the displayed setting list, highlight the **External CJC** option. Use  to deselect the option.

Change #3, 487
