Product description

Introducing the igubal AD-01-ESTM adapter, designed specifically for pillow block bearings of dimensional series E (ESTM, ESTM-GT). This lightweight adapter features the same dimensions as traditional metal pillow block bearings, ensuring a perfect fit. Its chemical and corrosion-resistant material guarantees durability, while the space-saving design makes it an efficient choice for your installations. Suitable for sizes 20, 25, and 30, this adapter is the ideal solution for your bearing needs.
