

drylin lead screw nuts with locating spigot for
linear modules SLW-2080 left-hand thread

DST-SLW-2080-DS18X24-J-LH

Product description

Introducing the drylin lead screw nuts with locating spigot, designed specifically for linear modules SLW-2080 with a left-hand thread. This innovative component ensures precise positioning and smooth operation, making it ideal for various applications. Experience enhanced performance and reliability with this essential addition to your linear systems. Upgrade your setup today with the drylin lead screw nuts for optimal efficiency.

Requirements

Mould-resistant according to DIN EN ISO 846 Procedure A	No
---	----

General properties

Weight	82.24 g
--------	---------

Dimensions

Thread size	DS18X24
