

drylin® lead screw nuts with locating spigot for
linear modules SLW-2080 right-hand thread

DST-SLW-2080-DS18X24-J-RH

Product description

Discover the drylin lead screw nuts with locating spigot, designed specifically for SLW-2080 linear modules. This right-hand thread solution ensures smooth and precise movement, enhancing the efficiency of your applications. Crafted for durability and reliability, these lead screw nuts are essential for optimizing your linear motion systems. Upgrade your setup with this innovative component and experience seamless performance.

Requirements

Mould-resistant according to DIN EN ISO 846 Procedure A	No
---	----

General properties

Weight	107.94 g
--------	----------

Dimensions

Thread size	DS18X24
