

Split pillow block bearing with spherical ball for square profiles, ESQM-GT, igubal®

ESQM-GT20

Split pillow block bearing with spherical ball for square profiles, ESQM-GT, igubal®

- Material of spherical ball: iglidur® J4
- Spherical ball for square profiles
- Maintenance-free, dry operation
- Lightweight
- High rigidity and durability
- Predictable service life
- Quick assembly saves time

Product description

Introducing the ESQM-GT Split Pillow Block Bearing by igubal®, designed specifically for square profiles. This innovative bearing features a lightweight iglidur® J4 spherical ball, ensuring high rigidity and durability. Enjoy maintenance-free, dry operation that saves time during assembly and offers a predictable service life. Environmentally friendly, it requires no additional lubricants, supporting a sustainable future. Upgrade your machinery with this reliable and efficient solution today.

Mechanical properties

Maximum tightening torque, fastening	10.5 Nm
