

drylin® R stainless steel shaft, EWI, AISI 440B

EWI-04

drylin® R stainless steel shaft, EWI, AISI 440B

- High corrosion resistance
- High chemical resistance
- Ideal solution for wet applications
- Stainless steel, EWI AISI 440B (high grade steel)

Product description

Introducing the drylin R stainless steel shaft, crafted from high-grade EWI AISI 440B steel. This shaft offers exceptional corrosion and chemical resistance, making it the ideal choice for wet applications. Designed to withstand challenging environments, it ensures durability and reliability in every use. Upgrade your projects with a solution that combines strength and resilience.

Dimensions

Design	solid shaft
Outer diameter d	4 mm
max. length	8 in
