

drylin® trapezoidal lead screw nut with flange housing, fast forward quick-release, iglidur® J

FTRM-FF-10X2

drylin® trapezoidal lead screw nut with flange housing, fast forward quick-release, iglidur® J

- Thread type: Trapezoidal threads

Product description

Introducing the drylin trapezoidal lead screw nut with flange housing, designed for quick-release functionality. This innovative product features trapezoidal threads for smooth operation. Made with iglidur J material, it ensures durability and reliability in various applications. Experience the convenience of fast forward quick-release, making it an essential component for your projects. Upgrade your setup with this efficient lead screw nut today.

Requirements

Mould-resistant according to DIN EN ISO 846 Procedure A	No
---	----

General properties

Weight	15.057 g
--------	----------

Dimensions

Thread size	TR10X2
E1	32 mm
E2	46 mm
