GEFM-05-FC

Spring-loaded fixing clip, GEFM-FC, food
contact, igubal®

- FDA- and EU10/2011-compliant
- Detectable
- Material: igumid FC
- Insensitive to dust and dirt
- No maintenance or lubrication necessary
- Vibration-dampening
- Lightweight

Product description

Introducing the igubal® Spring-loaded Fixing Clip, GEFM-FC, designed specifically for the food industry and other demanding applications. This lightweight clip is FDA- and EU10/2011-compliant, ensuring safety in food contact. Its detectable igumid FC material is insensitive to dust and dirt, requiring no maintenance or lubrication. Perfect for situations needing high compressive strength and vibration dampening, this clip is ideal for heavy-duty use in packaging, automotive, and automation industries.
