

drylin® N prism slide carriage size 27 iglidur® J
sliding element with camber
NWV-21-27-35-P05

**drylin® N prism slide carriage size 27 iglidur®
J sliding element with camber**

- Material sliding element: iglide® J
- Mounting type: Through holes
- Installation size: 27 mm rail width
- Load capacity, stat.: 112 lbs (500 N))

Product description

Introducing the drylin N prism slide carriage, designed for smooth and reliable movement. This size 27 carriage features an iglidur J sliding element, ensuring durability and low friction. With a mounting type that allows for easy installation through holes, it fits perfectly on a 27 mm rail width. Capable of supporting a static load of up to 112 lbs, this carriage is ideal for various applications where efficiency and strength are essential. Upgrade your setup with this high-performance sliding solution.
