Product description

Introducing the drylin R open double pillow block OJUI-11TW, designed for standard bearings in imperial sizes. This versatile twin pillow block features a liner made of iglidur J, known for its exceptional wear resistance and low friction performance. Its dimensional interchangeability with ball bearings makes it a practical choice for various applications. Upgrade your machinery with this reliable and durable component, perfect for enhancing efficiency and longevity.

General properties

Sliding element material	igidur_j
Housing material	aluminium

Dimensions

B	4 in
M	2.625 in
E	3.5 in
A	1.5 in
