

PEC200, bar stock plates

SFPPEC200-10-1000-610

PEC200, bar stock plates

- High chemical resistance
- Lubrication-free

Product description

The PEC200 bar stock plate offers high chemical resistance and is lubrication-free, making it ideal for demanding environments. Designed with cost efficiency in mind, it uses low-cost materials without compromising performance. Perfect for those seeking durability and affordability in a reliable, high-quality plate.
