

iglidur RW370, bar stock plate strips

SFPRW370-06-160

iglidur RW370, bar stock plate strips

- Complies with the fire protection standard DIN EN 45545 HL3, R22/R23
- Flame retardant
- High wear resistance
- Low coefficient of friction
- Choose the standard length of 1,000mm or have a length cut to size from 100mm

Product description

Discover iglidur RW370 bar stock plate strips, offering maintenance-free, lubrication-free sliding solutions. These flame-retardant, high-wear-resistant strips feature a low coefficient of friction and comply with fire safety standards. Available in standard 1,000mm lengths or custom cuts from 100mm, they are ideal for designing durable plain bearings and sliding elements with ease.
