

iglidur® G220, bar stock round bar

SFRG220-4500

iglidur® G220, bar stock round bar

- Very long service life
- Low coefficients of friction
- Low wear
- For low to medium loads
- Lubrication and maintenance-free

Product description

Introducing the iglidur® G220 round bar, a versatile solution for creating maintenance-free sliding elements and bearings. Made from high-quality materials, this lubrication-free bar stock ensures a long service life with low friction and wear, making it ideal for applications in medical technology, special machine construction, and plant construction. Available in custom dimensions, it offers flexibility and high compressive strength, meeting your specific needs without the hassle of maintenance.
