iglidur® H3, bar stock round bar

- Very long service life
- Low coefficients of friction
- Low wear
- For low to medium loads
- Lubrication and maintenance-free

Product description

Introducing the iglidur® H3 round bar, a premium solution for creating maintenance-free sliding elements and bearings. Crafted from lubrication-free materials, it ensures low wear and long service life, making it ideal for applications in medical technology and special machine construction. With excellent coefficients of friction, this bar stock is perfect for low to medium loads. Custom shapes and urgent prototypes are available, providing flexibility for your unique needs. Experience the reliability of iglidur® H3 today.
