

iglidur® J3B, round bar

SFRJ3B-3000

iglidur® J3B, round bar

- Very long service life
- Low coefficients of friction
- Low wear
- For low to medium loads
- Lubrication and maintenance-free

Product description

Introducing the iglidur® J3B round bar, a top-quality bar stock designed for creating maintenance-free sliding elements and bearings. This lubrication-free material boasts a very long service life, low coefficients of friction, and minimal wear, making it ideal for low to medium loads. Perfect for applications in medical technology, special machine construction, and plant construction, the iglidur® J3B ensures optimal performance without the need for constant maintenance. Experience the reliability of iglidur® today!
