

iglidur® P360, round bar

SFRP360-3000

iglidur® P360, round bar

- Very long service life
- Low coefficients of friction
- Low wear
- For low to medium loads
- Lubrication and maintenance-free

Product description

Introducing the iglidur® P360 round bar, a versatile solution for creating maintenance-free sliding elements and bearings. Made from high-quality materials, this bar stock is designed for low to medium loads, offering a very long service life with low coefficients of friction and wear. Ideal for applications in medical technology, special machine construction, and plant construction, the iglidur® P360 ensures optimal performance without the need for lubrication or maintenance. Perfect for custom dimensions and urgent prototypes.
