

PEC200 bar stock round bar

SFRPEC200-1200

PEC200 bar stock round bar

- Very long service life
- Low coefficients of friction
- Low wear
- For low to medium loads
- Lubrication and maintenance-free

Product description

Introducing the PEC200 round bar, a versatile and lubrication-free iglidur material designed for maintenance-free sliding elements and bearings. This bar stock offers exceptional wear resistance and low friction, making it ideal for applications in medical technology, special machine construction, and plant construction. With high compressive strength and flexibility, the PEC200 ensures a long service life under low to medium loads. Perfect for custom dimensions and urgent prototypes, it's your go-to solution for innovative designs.
