- Easy to install or move
- Use **ONLY** on Utili-Guard+ flammable cabinets

Description

The optional Tray Attachment for Utili-Guard+™ flammable cabinets lets you safely organize and access small paint and stain canisters, bottles, tools, or other loose items right on your cabinet door. Constructed of strong steel and measuring 3.5" high x 17.9" wide x 4" deep, this 2.7 lb tray installs in seconds using your flammable cabinet's integrated door brackets for secure, tool-free mounting.

Tray Attachments for Utili-Guard+ flammable cabinets are fully interchangeable and designed to be mixed and matched with other door accessories—including aerosol can, spray bottle, and caulk tube attachments—so you can build an interior layout that supports your changing workflow and storage requirements. Add more trays as needed to maximize usable space and keep work essentials where you need them most.

Attachment and Installation Guidelines:

- **30-gallon Utili-Guard+ flammable cabinets:** maximum 2 attachments per door, 17 lbs per door
- **45-gallon and 90-gallon Utili-Guard+ flammable cabinets:** maximum 4 attachments per door, 35 lbs per door
- For top attachment use, maintain at least 1.5" clearance from the top edge of the door

- Make sure both brackets are straight and fully engaged by pushing downward
- If storing safety cans, turn funnels toward the side or back to avoid contact with door attachments

The Tray Attachment for Utili-Guard+ flammable safety cabinets provides instant organization, reduces clutter, and allows you to adapt your storage for greater capacity and productivity.

Need other door attachments for the Utili-Guard Cabinet to customize your workflow? Justrite supplies additional aerosol can attachments, spray bottle attachments, and caulk tube attachments. Other accessories for this line include the [Tower Leg Kit](#) and [Skid Leg Kit](#).

Note: Door attachments are for usage with the Utili-Guard+ flammable cabinets ONLY. Other standard flammable cabinet models do not have the inner space to accommodate door shelves.
