
Replacement Security Bar for 45 Gal High Security Safety Cabinet, Red - 50961R

Product Images

Short Description

- High visibility steel barrier bar provides an extra layer of security
- Ideal for use in high risk environments

Description

High Security Safety cabinets are ideal for use in high risk environments such as construction sites, correctional facilities, schools, maintenance areas, and nurseries/retail locations. The high visibility steel

barrier bar is used in conjunction with two padlocks to deter prying. Set of two keyed-alike locks are sold separately.
