

4 Gallon, 1 Shelf, 1 Door, Self Close, Corrosives/Acids Safety Cabinet, ChemCor® Countertop, Blue - 8904222

Product Images

Short Description

- Store corrosives safely even when available space is at a minimum
- Provide complete protection from harsh acids and corrosive chemicals
- Fire-protection and code compliance
- 100% seamless thermoplastic coating protects interior surfaces from corrosion
- FM-approved

Description

Research environments using many different types of chemicals have special storage requirements. Whether using acids, bases or solvents, it is critical that incompatible liquids are segregated to avoid disastrous explosions or fire. The SDS (Safety Data Sheet) should be reviewed to determine chemical characteristics and recommended storage practices.

Countertop and Compac Cabinets let you customize your work areas and make the most of available space. Whether adding to existing storage space or making chemicals readily available at workstation locations, these smaller-sized cabinets are the solution when space is at a premium.

The ChemCor® thermoplastic coating on all interior surfaces provides superior protection against corrosion from drips and off-gassing from harsh chemicals. Non-porous surface resists staining and cleans up easily.

ChemCor® Lined Countertop Acid Safety Cabinets have the same quality features found in Justrite's flammable cabinets — including double-wall, 18-gauge (1mm) welded steel construction, 2" (51mm) liquid-tight containment sump, dual vents, adjustable shelves, three-point stainless steel bullet self-latching doors with U•Loc™ padlockable handle and Haz-Alert™ reflective warning labels. An all epoxy baked-on powder-coat finish, inside and out, provides increased chemical resistance. Interior ChemCor® liner ensures complete corrosion resistance and protection. Self-close door(s) shuts and latches automatically when a fusible link melts at 165°F (74°C) under fire conditions. Unique, concealed self-closing mechanism offers obstruction-free access to contents.

Self Close models meet OSHA, NFPA 30, NFPA 1 and the International Fire Code. Cabinets come with a ten-year warranty.

Specifications

Model No	8904222
UPC	697841112162
Brand	Justrite
International Model No.	89042221
Color	Blue
Material Specifications	18-Gauge Steel
OSHA Compliance	Yes
Complies with International Fire Code	Yes
Complies with NFPA Code 30	Yes
Complies with NFPA 1 Fire-Code	Yes
Capacity	4 gallon
Liter Capacity	15
Number of Doors	1
Door Type	Self-close
Number of Shelves	1
Adjustable Shelves	Yes
Dimensions, Exterior	22" H x 17" W x 17" D
Dimensions, Exterior	559mm H x 432mm W x 432mm D
Dimensions, Interior	18.5" H x 13.8" W x 13.8" D
Dimensions, Interior	470mm H x 349mm W x 349mm D
Height (Inches)	22
Width (Inches)	17
Depth	17
Net Weight, lbs	59.0
Net Weight, kg	26.8
