

G-Style Safety Shower Treadle - TREADLE-G

Product Images

Short Description

HUGHES

Justrite Safety Group

- Quick installation
- Activate eye/face washes by foot
- For use on most heated and unheated eye/face wash and combination showers

Description

Designed as an alternative means of operating the eye/face wash fountain, the treadle type foot control quickly attaches to an existing unit. As a fail-safe precaution, these eyewashes can still be operated by hand should the treadle be obstructed in any way. This G-style treadle is for use on most heated and unheated eye/face wash and combination showers.

Specifications
