# SZ 2566.200 - with metric knockouts, for AX

Simply break through the plastic on the knockouts for cable glands. Additional rectangular cut-outs and reinforcement frames allow the cable gland to be installed directly (modular).

## Features

|                                           |                                                                                                                                                                                        |
